

Folks

We really welcome your organization's important participation in mobilizing and planning for the Month of Resistance to Mass Incarceration, Police Terror, Repression and the Criminalization of a Generation. Going forward, and as we prepare to update our website with contact information, we want to pose the following:

(1) Does your organization wish to associate with the Stop Mass Incarceration Network as either a CHAPTER of SMIN or as an AFFILIATE of SMIN?

What is the distinction? A **SMIN CHAPTER** is a local group/organization that has unity with the [mission](#) of the Stop Mass Incarceration Network and will participate in its campaigns and projects. A **SMIN AFFILIATE** organization wishes to maintain a relationship, and to continue to work with SMIN, like the current organizing around the Month of Resistance to Mass Incarceration.

The SMIN Mission is to "accelerate the movement to stop the injustice of mass incarceration and police brutality; and the racially biased policies and practices of the police, the courts and the U.S. legal system; and to support prisoners' human rights, and of the formerly incarcerated."

(2) Either way: Please provide us your organization's contact information (email, telephone, website, or Facebook page, etc) for uploading on the Stop Mass Incarceration Network's website.

You can respond to this email address. If you have questions, please call me at [917-868-6007](tel:917-868-6007).

Thanks.
