

## Arts Discussion Group Brainstorming 8-28-14

How can we visually light up the sky in ways that will inspire people to join our movement?

Let's brainstorm for a while. And see what we come up with. The sky's the limit.

Are there particular ways we can reach and engage the youth?

Do we know artistic people who would be willing to donate their time and creativity?

What kinds of visual actions could take off like wildfire?

Would you be willing to help turn our ideas into reality? Whatever anyone can do is helpful.

When can we get together to get started?
